UPDATE

The 29" and 30" 2018 DeMarini CF Zen 2 ¾" (-10) model bats have been removed from the disallowed play list and are allowed for TBUSA tournament play effective immediately.

However, the 28", 31" and 32" 2018 DeMarini CF Zen 2 ¾" (-10) bats remain on the disallowed play list for TBUSA tournaments.

Further, as a result of the Easton Ghost X, 30" -10 USA Baseball bat (LL18GHX 30/20 Japan model & YBB18GX10 30/20) being decertified by USA Baseball, TBUSA has disallowed those bats. Those bats are therefore not permitted in TBUSA Play effective immediately.
